

KRISHNENDHU K M

Kerala, India — Ph: +91 9633381706
krishnendhukm10@gmail.com — LinkedIn — GitHub
Languages: English, Malayalam

SUMMARY

Motivated MCA Graduate with a strong foundation in Full-Stack Development, Object-Oriented Programming, and Relational Databases. Proficient in Python, JavaScript (MERN Stack), and SQL. Proven capability in building scalable web applications and image processing systems. Actively seeking an entry-level Software Engineer, Full-Stack Developer, or Technical Support role in the Gulf region. Available to relocate immediately.

TECHNICAL SKILLS

Programming Languages: Python, JavaScript, SQL
Frameworks & Libraries: Django, React.js, Node.js, Express.js
Databases: MySQL, MongoDB
Core Concepts: Object-Oriented Programming (OOP), Data Structures & Algorithms, DBMS, SDLC
Tools & Platforms: Git, GitHub, VS Code

PROFESSIONAL INTERNSHIP

AI/ML Intern Jan 2025 – Mar 2025
NextGenPro Innovations, India

- Developed and optimized machine learning models and algorithms during a 3-month intensive internship.
- Contributed to collaborative problem-solving sessions and implemented software engineering best practices.

ACADEMIC PROJECTS

MERN Stack Web Application (MongoDB, Express.js, React.js, Node.js)

- Developed a full-stack web application implementing robust CRUD operations integrated with database systems.
- Applied clean coding practices and software engineering principles to build responsive, scalable frontend and backend components.

Chat Monitoring System (Python, Django, MySQL)

- Developed a database-driven web application utilizing the Django framework and MySQL relational database.
- Applied Object-Oriented Programming principles to create reusable, maintainable modules and efficient data queries.

Vehicle Number Plate Recognition (Python, OpenCV)

- Developed an image processing application using Python and OpenCV for computer vision tracking.
- Implemented modular, reusable code architectures to improve recognition accuracy and system efficiency.

EDUCATION

Master of Computer Applications (MCA) Mangalam College of Engineering, Kottayam, Kerala	2023 – 2025
Bachelor of Computer Applications (BCA) Fr. Porukkara CMI College of Advanced Studies, Alappuzha	2020 – 2023

PROFESSIONAL CERTIFICATIONS

- Full Stack Development using Python** – FaceIn Technologies Pvt. Ltd. (Mar 2024)
- Full Stack Web Development with MERN** – Next Gen Employability
